

Social Studies Artifact: Timeline of Ancient Egypt

Many amazing and wonderful things happened during this time period. Here are a few events you may want to include on your timeline:

- ~ 5500 – 3100 BC - Egypt split into lower and upper Egypt
- ~ 3500 BC - Evidence of the first hieroglyphic writing
- ~ 2650 BC - First step pyramid built
- ~ 2600-2100 - BC - Creation of the Sphinx
- ~ 2500 BC - The Great Pyramids of Giza
- ~ 1550 BC - Valley of the Kings is built
- ~ 1346 BC - King Tut is born
- ~ 1337-1328 BC - Reign of King Tut
(although he died at the age of 18)
- ~ 196 BC - Rosetta Stone

On a large piece of paper, create a hand drawn timeline of 6 – 8 events that occurred during the years 3000BC – 537AD. Include some of the events listed above, if you like, but you may also include the reign of other kings, pharaohs, or even queens. You may include wars, famines, or any other event on your timeline that you found to be *interesting or historically important*. Your timeline needs to include hand drawn illustrations and the dates of the events.
